Sovereign Hills Rising Riders

Equine Youth Development for At-Risk & Underprivileged Children

501(c)(3) status pending

Ride • Learn • Grow

We give at-risk and underprivileged children a safe place to learn and grow with horses — riding instruction, grooming, groundwork, and horse care.
Kids attend scheduled sessions
at no cost to their families.
Our program horses are gentle, experienced teachers,
giving every child a safe partner to learn and grow with.
As kids grow, they become youth leaders —
mentoring newcomers and helping teach horse care.
